Job Description

Grounds Crew - Full Time

Reports to: Assistant Superintendent, Second Assistant Superintendent

Position Summary:

Performs routine manual labor involved in golf course maintenance; does semi-skilled grounds construction and maintenance work; operates small hand-powered equipment. Each Turf Technician is assigned specific assignments. These assignments are to be performed utilizing job descriptions that are provided by Golf Course Maintenance Operations.

Essential Duties and Responsibilities :

- Proper operation of walk mowers for tees greens and collars/approaches on the golf course.
- Replacement of turf grass.
- Weed eats, flymo's, and edges following all guidelines of the course detail book.
- Hand labor such as digging and lifting of up to 50 lbs. will be required.
- Maintenance and raking of Bunkers per schedule.
- Sand pro and maintenance of all waste areas.
- Maintain neat and orderly maintenance facility.
- Reports any problems or suggestions to Assistant or 2nd Assistant Superintendent.
- Updates Course Detail Board at the end of each shift or after completing assignment.
- Perform hand top dressing.
- Plant and maintain shrubs, native plant material and annual flowers.
- Fertilizes applications utilizing walk spreader.
- All equipment and hand tools must be signed out from Equipment Manager and/or Technician prior to use and returned for inspection at the end of shift.
- Equipment and hand tools must be returned fueled and thoroughly cleaned.
- While operating equipment and hand tools much care must be taken to ensure assignments are completed following all job descriptions.
- The appropriate safety gear must be worn while operating equipment.

Working Conditions:

Work primarily outdoors.

Job Type: Full-time
